In GO no X 4531-3/ ML 32-40-6 dated 12 12 1940, sanction was accorded to the entertainment of an Accounts in connection with the preaudit of the accounts of the excess water charges in the Bangalore city, for a period of one year, with the direction that a report be submitted as to how the arrangement has worked and the necessity for continuance of the appointment

2 The Chief Engineer has reported that the arrangement has resulted in improving the revenue of excess water charges and in rectifying many mistakes in the preparation of bills there being 11000 metered connections. It is stated that it is impossible for the existing Accounts Clerk to check all the bills the Chief Engineer has therefore recommended the permanent retention of the additional
